Re: Cell Phone Numbers for All Summer Camps

Please find below the cell phone numbers for each of Newtown Township Parks & Recreation Summer Camps. The Camp Directors have the phone with them at all times during camp hours. If the director does not answer please leave a message and they will return your call at their earliest convenience. Or call the “office” number and our Office Staff will relay your message to the appropriate camp. It is preferred to call the Camp Director and not text. ***Our Camp Directors have a lot of responsibilities throughout the camp day and cannot answer minute by minute questions, so please use these numbers only in the case of an emergency, illness, early pickup, etc.***

Thank you for your cooperation.
