Creative Theatre (ages 7-10)

Have you ever wanted to star in a play you helped create? Join us as students learn all about theatre by doing it themselves! Children are guided, by the instructors, through a process where they play theatre games, create a story, and work together to make that story into a working theatrical production. The participants create their own character, plot, props, costumes, title, and everything else that's needed to make the production complete. You get to play the part you have always dreamed of! The final day is a performance of their original play for family and friends.

Beginner's T'ai Chi Chih® (Non-Martial Art)

T'ai Chi Chih is a gentle, mindful, moving meditation with many health benefits that may be taught seated as well as standing. This particular form is adopted by UCLA for research, demonstrating its effect on helping to increase immunity, improve sleep quality, and decreasing the symptoms of depression. It is widely accepted that T'ai Chi improves balance and lowers high blood pressure. Because of its effectiveness this moving meditation has recently been written about in The New York Times, AARP National Magazine, and many other publications. Learning T'ai Chi Chih would be an excellent way to commit to improving your health and increasing your happiness now. Great for beginners and seniors.
